MURDER IN THE CLASSROOM

It is your birthday and on that occasion your friends decided to organize something special for you to celebrate the day.

So, you've just received an invitation to participate in a murder mystery party at Paul's.

Here is the background information received:

During a school reunion a scream is heard from one of the classrooms. It's 8:30 pm. A few minutes later the dead body of Miss Eliza McGowan, a cranky old English teacher, is found. She has been hit on the head. Also found were a number of items that may lead us to the killer: a book written by one of her ex-students, Simon Donnelly, a photograph of one of her fellow teachers, a young man called Saul Sheen, and a handkerchief with the initials I.W. At the moment these are the three main suspects but everyone who was at the party and saw or spoke to Miss McGowan needs to be questioned.

Whodunit? Let's call in Sherlock Holmes and his partner in crime Mr. Watson!
